## Your Details

Please print and complete this "Your Details" form. If you require multiple services in one order (eg if you are sending us Videos Tapes and Cine in the same package) you only need to complete this form once.

Please print complete the Order Form on page 2 for each service that you require.

Once we receive your order we will check the pricing and get back to you with any additional costs if repairs are required.

If you are ordering more than one service, we may be able to reduce your overall postage costs once we have fully assessed your order.

**Don't worry if you are confused, just let us know what it is that you need and we will work it all out for you!**

### Payment:

We will contact you for payment once your order has been completed. Payment can be made by the majority of UK Debit or Credit Cards over the phone, PayPal and Bank Transfer. Unfortunately, we can no longer accept cheques.

### Despatch:

When all work is completed, we will send your copies/conversions to you by post or courier, and once you acknowledge receipt of them, we will then return your original items (**if you require them**). This is in case anything gets lost in the post.

**IMPORTANT:** Tick if you'd like your original items returning, otherwise we will destroy them 30 days after your receipt of the transfer.
